Kyiv, Ukraine · Remote

PORTFOLIO

[annayakymchuk.com](#)

Product Designer (UI/UX) with 6+ years of experience in digital and communication design across FinTech, public-sector and nonprofit organizations. Focused on digital product design through UX research, information architecture and product thinking.

01 — EXPERIENCE

Jun 2024 - Present

Design Lead

Communications Agency "CHAOS"

Kyiv · Remote

Strategic communications agency partnering with civic initiatives, nonprofits and public-sector organizations.

- Established communication design frameworks for civic initiatives and organizations such as NABU, BEB, PlayCity and the Ministry of Defense of Ukraine.
- Transformed complex reports and large volumes of data into clear visual narratives through information design and infographics.
- Partnered with founders and cross-functional teams to shape design strategies.

2022 – 2024

Design Lead

NGO & Charity Foundation "Mriya"

Kyiv · On-site

Nationwide nonprofit organization supporting families affected by war with 15+ regional offices.

- Defined the visual direction for nationwide and regional initiatives, including donor presentations, annual reports and public awareness campaigns.
- Creative and scaled design frameworks that improved consistency and streamlined content production across the organization.
- Worked closely with stakeholders and regional representatives to prioritize creative initiatives, review design quality and adopt shared design practices.

2019 – 2022

Senior Graphic Designer

FinTech Company (NDA)

Remote

International FinTech company building digital products, educational platforms and media for entrepreneurs.

- Together with product, marketing and content teams launched new digital initiatives, turning early concepts into user-ready products across educational platforms, media and communication channels.

- Co-developed distinct visual brand identities and communication design frameworks for new digital products within the existing design system.
- Worked with editorial layouts, infographics and scalable content systems.
- Mentored junior designers and collaborated with the Art Director on brand development and hiring.
